

ambresh.kapoor@rewarewa.school.nz

My oldest son went through his entire primary schooling at Rewa Rewa School and now my other two are following in his footsteps. With so much committed to this School, I am privileged to be serving on the Board. It excites me to see all the marvellous changes and development that the school is going through. I am honoured to be part of team that is growing future-focused, lifelong learners at Rewa Rewa School.
