Hi my name is Angela Schleif, my child Brooklyn (year 4) currently attends Rewa Rewa School and I have been on the BOT since 2013. I enjoy being a parent representative and helping to make Rewa Rewa the amazing school that it is! Like all parents, I want the best for our children. I believe every child should have the opportunity to achieve their unique potential! I like using the skills and experience I have to give back to the community by supporting and developing Rewa Rewa School. Education is critical to our children's future and Rewa Rewa is a great school with many unique attributes. I firmly believe in the education, social and cultural environment it provides.
